☑ **Investing in Education.** Greenstein, DeAngelo and Benson know that now, more than ever, we must give our children the skills they need to be successful in the jobs of the future. They will invest in our public schools and ensure that all children have access to a quality education.

☑ **Focusing on Property Taxes.** Greenstein, DeAngelo and Benson fought to restore property tax rebates for homeowners. They understand that more needs to be done to restore accountability and find relief for overburdened taxpayers.

☑ **Protecting and Creating Jobs.**

Greenstein, DeAngelo and Benson will continue working to protect and create New Jersey jobs. They will fight to protect public employees' jobs, expand the manufacturing and service industries and invest in our state's infrastructure to put people back to work rebuilding New Jersey.
