

Reclaiming the Prmise

**Monday, Dec. 9
11:30 AM-1:30 PM
Livingston
Student Center**

Cynthia's parents brought her to New Brunswick from Mexico when she was 20 months old. Now she's graduating high school. If Governor Christie would keep his campaign promise, Cynthia would qualify for in-state tuition and tuition assistance

Join URA and the Tuition Equality for DREAMers as we phone Gov. Christie and state legislators. Ask them to pass and sign the NJ DREAM Act. Help Cynthia and New Jersey high school graduates like her to afford higher education.
