

Rutgers has the money.

UNITY RALLY *for* FAIR CONTRACTS!

Rutgers has raised more than \$1 billion in donations and has another \$700 million in unrestricted funds, so why are faculty and staff being told to accept tiny raises after years of frozen wages? What's more, management wants us to accept contracts with "subject to" language used to freeze our wages in 2010.

The 20,000 union workers at Rutgers deserve real contracts with guaranteed raises.

Tues., March 10, 5pm

**Rutgers-Newark,
Robeson Campus Center,
Essex Room**

Join us for light supper and an indoor rally for fair contracts featuring AFT President Randi Weingarten.
