Join us for a film screening, reception, & discussion with legendary organizer and Resistance leader Heather Booth, who has fought for social justice for 55 years. *Hors d'oeuvres & desserts will be served.*

Since his inauguration, the President and his allies in Congress and the courts have come after healthcare, consumer financial protections, reproductive and labor rights, environmental protections, and the social safety net. And through it all, we have fought back with “persistence, insistence and passion.” And we’ve actually had some great victories along the way. But our work has only just begun...
